Customer Reviews

This calendar has pictures that run the full vertical length of the calendar with the days of the month also running vertically, but snuggled up to the left side. A little hard to figure out what day it is sometimes, since the days are not set up like a "regular" calendar, but I am more interested in the picture than what day it is- ha ha. I would recommend this to any Whovian.

Love the look of this calendar. This calendar is not available from any vendors in the States but it was the "who" calendar that we liked the best. Totally didn't mater. Item was shipped in plenty of time for Christmas and my son loves it!

Received this item as advertised, very quickly. The item was as advertised and hard to find in a store. Thanks.

This was a gift for a Doctor Who fan. I couldn't go wrong by giving this as a gift. They loved it.

My 14 year old daughter is as into this show as I am. I have ordered many items related to the show for Christmas.
