Nice except for the GLARING error of transposing Gordon (TB4) with John (TB5). You would think that after 50 years of all sorts of information about this classic show, NO ONE could possibly get this wrong. Because of this, I can't give this more than 3 stars. It gets the 3 stars for being so informative (namely, featuring the characters in the month of their birth (albeit fictional) and mentioning their birthdays in the calendar). For that, thanks and F.A.B.!

The reviews here a bit dumb. I get it, John and Gordon are switched around. That detracts from the quality, how? Mistakes happen... I bought this when the only review was based on this fact, with only one star. Did people even buy the calendar, or just whine for the sake of whining about it. Moving on from that, I really like this calendar. The pictures for each month feature pictures of the characters and their respective crafts etc.

The cover photograph has a mistake on it. The Tracy brothers, John and Gordon are in the wrong positions with incorrect numbers on them. This might become a collectors item now, which will drive the price up for it, for sure.
