## Customer Reviews

If you are a Swiftie or just love Taylor Swift more than a normal person... then this calendar is for you. I love Taylor Swift, but I didn't get the calendar for me. I got it for my friend who loves her musically and physically. He loved the gift. It makes a great gift for TSwift fans because it's a HUGE calendar and you get a mini one with it. The photos of her are gorgeous, so he could gawk at her all day. Great gift

I am loving this wall calendar. I think this is better than the one for 2014. In 2014 the top half had the picture(s), but in this year's version the picture will extend beyond the top half and go into the bottom half a little bit

I mean, duh. If you order something like this, you're not going to dislike it because you clearly love

Taylor Swift. Bought as a gift for my sister, same gift I get her every year, and every year she loves it - this year is no exception.

VERY nice calender. Of course it IS of Taylor, so it has to be awesome, but the pages are longer than previous years, and her picture extends down into the calender part. Much more of her to see, which is a plus.

Awesome. Every month has a high resolution photo, and has holidays/events from several countries including The U.S., Mexico, Canada, and The U.K., as well as having Taylor's birthday specially color coded so you don't forget. Perfect for any Swiftie.

Loved the calendar and the seller was super fast! TSwift is awesome and the seller too! Thanks  
This will be a Christmas gift:)

The calendar has beautiful pictures of Taylor swift.

Perfect gift for a 16-year-old Taylor Swift super fan! The calendar has 12 headshots, and since it's marketed as a 16-month calendar, I assume one back page has four months and no pictures.
