Taylor Swift 2016 Square 12x12 (Multilingual Edition)

Synopsis

Songstress Taylor Swift knows no bounds when it comes to great songwriting with a lot of heart. Her personal songs capture a sense of vulnerability and reveal a wisdom and insight beyond her years. The release of her album Red in 2012 was the highest No. 1 debut in the 2010 decade thus far and the singles "Being Again" and "I Knew You Were Trouble" was a global commercial success. And with the No. 1 single "Shake It Off" off record-breaking 1989, Swifties are yearning for more. The official wall calendar features a collection of photographs of this young superstar who, with her graciousness and warmth, has amassed millions of loyal fans across the globe. BrownTrout is committed to sustainability.

Customer Reviews

This calendar, like last year's Taylor Swift calendar is really not an 18-month calendar but a 12-month calendar with a single page containing the first 6 months. I've included a quick snapshot of the pages here with the review but they don't do the images justice. The calendar is printed on nice, high-quality paper and the pictures are clear and vibrant. The photo portion of each page takes up a majority of the space, moving below the center fold line but the dates themselves still have plenty of space to see clearly and mark down your special dates. Definitely highly recommended for any Taylor Swift fans.

If you thought the Taylor Swift 2013 was the best calendar in the world, you were truly stunned to learn that she was able to top that with her stunning photos of the 2014 calendar. The 2015

calendar BLEW that one away! What happens now? There CAN'T POSSIBLY be a better calendar, can there?! But behold, the calendar to end all calendars! (until 2017 rolls around hehe..) With 12 new photos that will literally sweep you off your feet, the new 2016 calendar is a must have in every home/office. Don't miss out, it's NEVER too early to pick up where 2015 will inevitably leave off.. Get yours today!

I am giving this 5 stars on behalf of my daughter for whom I bought the calendar. Contrary to what a reviewer stated, this calendar covers all 12 months of 2016 and the last 6 months of 2015. They do it that way so you have an excuse to buy it sooner instead of waiting until the beginning of the new year. Anyway, my daughter likes the pictures and it's pretty good quality--no extra-thin paper or out-of-focus photos. As a side note, when the description notes it has French and Spanish, those are in very small type, placed near the larger English words. They are not as distracting as some multi-lingual publications or products out there (where I can't even find the English words because the foreign words are so prominent). Good product and anyone who likes Taylor would be pleased.

he package was delivered on time. The calendars were so pretty, beautiful required to buy this calendar.

The young man I purchased this for was very pleased. I did not see the calendar but I trust his comment and those of his parents who were satisfied Ms. Swift appears tastefully in the photos. I will likely reorder the 2017 version when available.

Our niece loved this calendar. The quality is good and she can hardly wait to put it up on her playroom wall.

Get her calendar every year as a stocking stuffer for our daughter!! A big fan of hers!!

Love me some Taylor Swift. Especially every day of the year.
