Customer Reviews

This whole series is great! The lift-the-flaps are nice and sturdy, so even my enthusiastic 20 month old son doesn't rip them. And I love how the last page has a special "extra flap." The books are adorable, my toddler loves them, and I definitely plan to buy more!

If you are looking for a cute, lift-the-flap book that features animals sounds you'll love quacking, buzzing, squeaking and ribbiting your way through this book with your toddler. A simple text, large illustrations and eye catching colors will attract your child to this book and quickly make it a favorite for read aloud sessions. "Quack! Quack!" will be soon in the box I send each month to my granddaughter....she'll love it!
