Customer Reviews

I bought all 4 of the season books in this series. Spring is by far my favorite but they are all good. The summer book focuses on colors in the story. It's cute and keeps my daughter's attention when I read it to her (she's 16 months old now).

I bought this cute book after seeing the great, vivid pictures in it. When I got home, we read this book to our baby to be and my husband loved it. It has a sing songy, repetition to it that will be great for our baby as he gets older. I definitely was pleased and I am excited to collect the rest of the Mouse books from this author.

Bought for my almost 2 yr old. She LOVES these books. Have all of the "season" stories. Easy, descriptive words using onomatopoeia. Highly recommend!

Another cute mouse book that kept the kids interest. Big words and colorful pictures were loved at story-hour.

GREAT condition and perfect preschool lesson book about Summer

Excellent product and service.

My 2 1/2 year old loves the Mouse books!! We read them every night!
