## Customer Reviews

I have every one of these wilderness calendars stored in my closet going back about 25 years. The calendar has just enough space for short notes and being a shutterbug myself, I love the photos, especially when they are Galen Rowell pix (RIP). Best of all...no cat photos. Form and function matched perfectly

I love these calendars. I give some for Christmas gifts regularly, and keep the weekly one myself for weekly great pictures and much space to write appts. on. Glad I can get them here AND THIS FAR AHEAD!!!!

Classic reminder month by month of the magnificent beauty of Nature. It is worth having that reminder even in this day of e-calendars.

Always amazing pictures to decorate my office wall.
