A Child's Portrait Of Shakespeare (Shakespeare Can Be Fun Series)

Synopsis

"Who is William Shakespeare?" For more than 20 years, Lois Burdett has asked that question of her elementary school students in Stratford, Ontario, Canada, leading them on a voyage of discovery that brings the Bard to life for boys and girls ages seven and up. A Child's Portrait of Shakespeare, written in rhyming couplets is suitable for staging as class plays as well as reading aloud.

Customer Reviews

How many people really know the details of Shakespeare's life! Find out in this well-done, rhyming text filled with kids illustrations and "letters" and "documents". For example: one child crafts Shakespeare's will...very interesting! Lois Burdett is a genius! Perfect for teaching about Shakespeare - for kids and adults! Buy It!

I purchased this book because I was attracted to it and I intended to put it away until I could pull together an interesting unit study on Shakespeare. However, my two boys (7 and 9) could not stand to go to bed without me reading it to them first!! They were instantly attracted to artworks and writing done by kids their age and wouldn't let me pass a single page without reading everything! They enjoyed finding the spelling errors and I was certainly surprised at how many they caught, as I am sure they would've made many of the same ones. My boys asked, after reading the book, if we

could study Shakespeare for school THIS week! Yikes, I have got some quick planning to do. This is a wonderfully inspiring leaping off point for a trip into the world of Shakespeare. At the end of the book, one of my sons said it well, "Hey mom, he wrote drama and he lived drama, too!" I think they got it.

My son who is 2nd grade loved it and ate it up. After reading the book together, he and I played rhyming games just as the book was written about Shakespeare in rhymes! The pictures drawn by the author's students were also nicely done and appealed to him as well. Five stars without hesitation. Great way to introduce Shakespeare to children.

My 9 year old was curious about Shakespeare so I ordered this book as well as three others in this series for her, and she loved them. She can't wait for me to order more for her.

These are amazing books. They were an excellent purchase.

Terrific!
