DK Eyewitness Books: Shakespeare

Synopsis

Whether your child has a special interest in theater, poetry, or the work of William Shakespeare, you're going to see a Shakespeare play as a family, or you want to add depth and additional resources to Shakespeare's work that your student is studying in the classroom, Eyewitness: Shakespeare is the ideal choice for you and your child to get to know the bard even better. DK's Eyewitness series is perfect for children. It engages both readers and visual learners by presenting information with a combination of photography, small nuggets of information, and fact-packed annotation so children can really dig into topics without becoming overwhelmed. One picture at a time, Eyewitness books teach big subjects in easy ways. We've revamped our Eyewitness series to be even better with solid facts, shorter texts, more emphasis on images, and fresh new learning sections, making Eyewitness books the perfect way to encourage curiosity in your child or to supplement classroom learning.
