# Classic American Lighthouses 2013 Wall (calendar)

## Synopsis

The art of nationally acclaimed American artist, Patrick Reid OBrien, caught the eye of Jimmy Buffet and he was asked to create art specifically for the Margaritaville lifestyle brand. Patrick's art connects with people and provides a little more happiness in their lives. This selection of best-selling lighthouses from Patrick's My Town Art collection reflects specific destinations; places that have special meaning to people on a very personal level . . . a beach where they grew up, the town they lived in after college, or a honeymoon getaway. Warm, colorful, and fun are words used to describe his memorable work.
