Customer Reviews

This calendar is great for people who live or vacation in New Jersey. The lighthouses are very recognizable. A great feature is the tide chart, which comes in handy when planning your boat or fishing trips.

This is an annual purchase I make every year. If you like the Jersey Shore, Lighthouses, and their history, these annual calendars make a great wall hanging that can be viewed all year. Every year, people submit wonderful photos of the many lighthouses that envelop the state. It's great to see what they come up with.
