If You Were A Minus Sign (Math Fun)

Synopsis

If you were a minus sign, you would subtract one number from another. You could subtract food and balloons. In every problem, you would find the difference. What else could you do if you were a minus sign?

Average Customer Review: 4.4 out of 5 starsÂ Â See all reviewsÂ (7 customer reviews)

Best Sellers Rank: #19,204 in Books (See Top 100 in Books) #43 inÂ Books > Children's Books >

Education & Reference > Math > Arithmetic #5913 inÂ Books > Reference

Age Range: 7 - 9 years

Grade Level: 1 - 4

Customer Reviews

So far, we love all the math (plus, minus, set, and fraction) we have of this series. The grammar books are a step up, and some seem a bit much for our kiddo at 5 years, but we gently push through. All said, these are great, and we made holiday presents out of them.

This book did a great job of "hooking" the kids in and then explaining the concept of the subtraction symbol as well as subtraction. The illustrations were colorful and clear. The words rhythmic and fun! Get the whole series!

Just read this today. A fun way to introduce subtraction.

This book is great for a lesson on subtraction.

The pages were falling out. Terrible purchase

Great book!

Great book
