These are wonderful stories about women who made a impact on history by their lives. Great for reading at devotion time or just for fun. We use as a part of our Bible curriculum.

I have learned so much from this wonderful little book. The biographic stories are so inspiring! I look forward to sharing these with the young girls I teach. Thank you for bringing the vibrant stories to us.

Love this book. Great for my 7 year old daughter. A little too difficult for her to read on her own, but she loves for me to read to her.

I thought this book was great when I read it, but I think they should've added more details about the girls. still an awesome book.
