Kid's Travel Fun Book: Play Games. Make Things Out Of Paper And String. You'll Have A Ball!

Synopsis

Filled with puzzles, pictures, and games, this activity book not only provides kids with things to do while traveling but also allows them the freedom to choose and be creative; all while providing ideas to get started on the activities. Kids are encouraged to write, draw, and add their own touches to the games provided. This self-contained book eliminates the need for parents to drag along extra materials such as crayons and game pieces; the only extra materials needed for these activities are a pencil, paper, and some string.

Customer Reviews

Collaboratively compiled by Loris & Marlin Bree for children ages 6 to 12, the Kid's Travel Fun Book is a collection of travel games, puzzles, pictures, and other "car trip appropriate" activities to help while away the hours and the miles. Kids will learn to read road maps and create attention-engaging paper "gizmos". Whether traveling in the family car or simply staying at home on a rainy day with nothing to do, the Kid's Travel Fun Book is an inexpensive source for hours of "kid friendly" amusement!
