13 Modern Artists Children Should Know (Children Should Know)

Synopsis

From Cubism to cartoons, this book of eye-popping art and engaging activities introduces young readers to modern art. Picasso, Chagall, Calder, Lichtenstein, Hockney--these artists and the others profiled here offer a world of interest to children. This exciting exploration of modern, Pop, and postmodern art is designed to appeal to young minds. Large illustrations brimming with color; fascinating explanations and biographical information; do-it-yourself activities, quizzes and a helpful glossary and timeline are all part of the vibrant book. Children will be drawn to the stories and interactive opportunities as they discover these important artists who changed the world.

Customer Reviews

Although some entering their teens would appreciate these books, kindly 'show and tell' these to young children as well, even if they must grow into them. The entire series is a small but wonderful doorway to the world of art. Don't you just love opening doorways to new places?

We enjoy this book and have used it to supplement our homeschool art program. The illustrations are detailed and the information they provide, while small, is accurate. It's a nice addition to our library .

Every adult should know as well...Good book, easy reading and great color pictures. The whole

series is good and would be appropriate for every school media center k-12.

A great book to introduce 7 year and up artists to the modern masters. Good educational read and photos are crisp. Would recommend to the child who is interested in painting/coloring etc.

Great buy, thanks again!All books arrived in excellent condition.The kids at our school enjoy reading the new books.

I have several of these books and like them all. If you are interested in modern art or modern artists, you will enjoy it.

My students love to read when they finish a project early and this is a great series of books for them to learn about art.

A simple and short introduction to artists and their particular art form. Wanted more, i.e. Georgia Keefe.
