My 4 year-old granddaughter loves all the sticker books Grandma gets for her but this wedding one - well, we finished it in one day! And, I continue to look for others that will keep her as interested! It was wonderful!

my 3 and 1/2 year old granddaughter loves this. She always wants to come play stickers. We have also gotten the ballerinas and the princess and the fairies.

Love these sticker books for my daughter. She has been playing with this book for 6 mos and we will buy her more in the future.

My daughter spends hours with her sticker dolly dressing books. Great in the car or for a on the fly

project.

We love this line of sticker books and have purchased many. They are all great but I am giving this one 4 stars because there are no flower girls in any of the wedding parties! Given the age these appeal to (4 years and up), flower girls would be nice. My 4-year-old is going to be a flower girls and commented on this. Overall, another great book!

out of all the sticker books this is my grand daughters favorite by far she loves all the dresses and cake flower stickers

Came quick and kept my 4 yr old occupied on our drive from VA to FL. Bought three more of them for rainy days this summer.

Very nice.Superior quality stickers and drawings.My daughter just loved it pretty much.
