For example Lux Cassidy picture is exactly the same as it was in March 2014, as it is in May 2015.

The models are still hot but it is too similar to last year's

Nearly seven of the photos in this calendar were exactly or nearly exactly the same photos as previous years' calendars, mostly from the 2012 and 2011 calendars. Repeat buyers beware!

So my dad likes to look at naked women. lol so I buy him this calendar every year for his birthday which is dec 25. So far this is his favorite nudey calendar. He is a very hard man to buy for because he owns everything or buys it himself. Now I have something to buy him each year.

Not very attractive. I prefer sexy photos of active, dynamic women in great shape. The wome are skinny and do not look very happy or self-possessed. But what did I expect. I tried it, and it is not great.

I have wanted a sexy calendar of nude women for quite some time but had no idea where to go to get one. The brilliant idea came to me to go to .com. When I did, this calendar popped up as a possibility. I am very happy with this purchase as the models for each month are very pretty. The only thing I would have preferred was a short bio on each model for the month they represent. The photography for calendar is very top-notch. This is not a calendar for prudes. I am glad I have it & will buy the Mystique 2016 when it is available.

Great photos , beautiful girls showing their naked bodies and they have nice smiles that show they enjoy posing in the nude. Well done girls and congratulations to the photographer. Love getting up to this calendar each morning.

It's pretty hot. full nudity! good pics of up stairs and down stairs!

just set the calender down long enough to type this, picking it back up now grrrrrrr hub bah hub bah
