## Customer Reviews

Good calendar... can't say much. It has a bunch of scantily clad women, different for each day, so what else do you need? Well, it's not a Hustler type photos, but still something that you would probably not display in your office cubicle. (Well, unless you have a very liberal, predominantly male co-workers.)

I always buy this callendar for my sons as a joke Christmas gift! Even though they may protest, they look for them under the tree every year and have then on their desks as well! It has been a gift they have looked for, for over 20 years!

Of course, any man wants to look at swimsuit models for the whole year. If you have a wife thatâ™s not the jealous type or she doesnâ™t mind you having a calendar of T and A then this calendar for the 2015 calendar year should be a green light.

Very satiesfied.

Very beautiful and well arranged

Always the best Day at a time calendar, no repeats, just great shots of lots of different girls (Could

use more Emily Ratajkowski, but I digress). Much better than the Maxim calendar.

It's a day-to-day calendar. High quality thick glossy paper. Adequate plastic stand. Adequate glue holding pages together.

Get it for my husband every year. He loves it, as always!
