## Customer Reviews

I've been getting these calendars every year for the past few years and they don't disappoint. In my humble opinion, nothing livens up a plain wall more than a calendar with swimsuit photos of the beautiful ladies from Sports Illustrated.

This was a gift. It arrived shortly after I ordered it and was in superb, new-ish condition. All the ladies were wearing swimsuits even though I ordered this in December. Here is what came in the package: (\*) 12 Months (\*) 365 Days (\*) A poster (\*) Some girls (although they're pretty 1 dimensional) (\*) Swimsuits (con: no links were provided on where one might purchase a similar swimsuit) (\*) Body Dimorphic issues (\*) Airbrush lessons (\*) And as an added bonus, the back cover has previewsAll printed on high gloss, high quality paper and wrapped for your protection. I thought the font choices and sizes were well thought out and worked well.

It's a calendar.It hangs on the wall straight.The dates are accurate.The women are gorgeous.Really not much about which to complain.

Good seller, good product.

I get this every year for my Dad. He puts them up in his shop. Its a tradition we all think is funny. It

really show the month dates well too...yeah, that's why I get this one...for the months!

Girls in bikinis what could be better. Sports Illustrated does this sort of calendar very well. The girls are lovely and the scenery is nice too.

husband loves it!!

Always great.
