Customer Reviews

This is a great book. I only got it yesterday, but it has lots of wonderful ideas. Although this is really a kids do it yourself book, it can also be used by parents, or party planners like myself. It has a pile of themes, and each one includes invitations party hats, crafts decoration, favor and games. Most of the party hats, favors and games are those you can make from paper and other things around the house. Most of the crafts can be used as games, and many can also be used as favors. I always like Kathy Ross's books, but this one was GREAT!

I thought that this book was great. We checked it out from the library and my six year old son has chosen the teddy bear party. He was not too thrilled with the bowls of porage cakes, but all the other ideas are great and really get the kids involved. MElissa
