Hidden Picture Mazes

Synopsis

These full-page mazes are revolutionary! At first they seem like every other maze, where kids work their way through the twists and turns, avoiding false leads and dead ends. But then comes the one-of-a-kind fun: when the maze is done, an actual picture emerges from the grid. And, for an extra challenge, sometimes you color in all the wrong paths first to see what image awaits. An arching cat, a very merry Santa, a boat sailing on the sea, a crescent moon, even a bunny rabbit jump out at you. There's nothing else like it.
