St. Louis Architecture For Kids

Synopsis

Written and illustrated to appeal to children of all ages, *St. Louis Architecture for Kids* takes the reader, tourist, or resident on an exciting tour of the unique built landscape of the St. Louis regionâfrom A to Z! The book's adorable tour guide, a character named Archy, narrates the journey in rhyme, with each letter of the alphabet corresponding to a St. Louis landmark. Lee Ann Sandweiss's playful poetry incorporates history and local lore while celebrating the beauty and charm of the region's architectural treasures. The text is complemented by full-color collage illustrations that combine the whimsy of Phyllis Harris's delightful characters and Gen Obata's evocative architectural photography. *St. Louis Architecture for Kids* breaks new ground in making St. Louis's rich architectural heritage accessible to children as well as their caregivers and teachers. The perfect gift for children, grandchildren, students, or yourself, this book will delight as it teaches and leave the reader yearning for more. Complete with map, this picture book doubles as a tour book for family or class field trips. From the Gateway Arch to the world-famous Zoo, *St. Louis Architecture for Kids* is a must-have book for anyone who loves the urban landscape and wants to ignite curiosity and appreciation for the built environment in youngsters.

Grade Level: 4 and up

Customer Reviews

I bought this book and gave it to children from Australia that were visiting me. It is now in their own

book collection in the "Down-under." They enjoy showing it to their friends.

This is a marvelous gift for parents and their children, from newborns to grade-schoolers, who have any connection at all with St. Louis. It showcases the beauty and the history of some of our sites, and creates anticipation of visits all over the city.ES

Loved the book! It gave my out of town nieces a better idea of the St. Louis area!
