Product Dimensions: 0.2 x 10.1 x 8 inches

Shipping Weight: 4 ounces (View shipping rates and policies)

Average Customer Review: 4.2 out of 5 stars [See all reviews](#) (31 customer reviews)

Best Sellers Rank: #104,451 in Books (See Top 100 in Books) #5 in [Books > Libros en espaÃ±ol > Literatura y ficciÃ³n > PoesÃ­a](#) #10 in [Books > Libros en espaÃ±ol > Infantil y juvenil > Deportes y Actividades](#) #10 in [Books > Libros en espaÃ±ol > Infantil y juvenil > Artes y MÃºsica](#)

Age Range: 4 - 8 years

Grade Level: Preschool - 3

Customer Reviews

"Arroz Con Leche" is an enchanting book filled with songs and rhymes that are heard throughout Latin America. They bring nostalgia to Latino readers and give non-latino readers the sense of passion and joy the Latin American culture is filled with. These are typical verses that most Latin American children are comforted with in their sleep, sung about in the streets as they play, or whispered gently into their ears as they are rocked in their mother's arms. This book has been extremely special in our family, since as a child my siblings and I have been nurtured with these songs and rhymes. Having the book to share with the next generation is such a wonderful experience because the tradition of these songs can continue on even if we are not in our native land. The pictures are just so vivid; I can see my uncle with his straw hat sitting in the bench next to the little neighborhood market just how the book shows it. The colors used and the situations depicted are true to the Latin American culture. All the components of the book are so spectacular that I'm not sure how to distinguish which is my favorite; the songs which are both in english and spanish (I think that is so helpful, especially for those who do not speak spanish but who would like

to expose their children to the Latin American culture), the enchanting pictures that go along with the event in the song/rhyme, or the musical notes that accompany the songs in the back of the book. It's fun to be able to play the guitar or piano along with the songs because it brings them to life and makes them much more fanciful. I have not found a Latin American children's book of songs so complete and entertaining as this one has been.
