Customer Reviews

All songs should be playable by the intermediate pianist. Paper is high quality gloss and has color images throughout. Song List: Be Our Guest Belle Belle (Reprise) Gaston Gaston (Reprise) The Mob Song Something There Beauty And The Beast

This book has all of the major songs from this spectacular show. The only thing I see lacking are the great dance sections that have neat music to them, but everything else is there.

This is a beautiful collection of piano pieces for the intermediate player. The complete soundtrack is transcribed to piano as to make it simple enough to play for a wide audience yet retaining the sound from the movie/soundtrack. The main theme 'Beauty and the Beast' is overdone and can be found in many, many collections of sheet music. Many of the other songs will be hard to find in a better form than found here.

This music book is great!! I think this is the best disney book i have gotten so far. The music in there is so fun and beautiful to play. This book is for an intermediate piano. The music sounds EXACTLY like in the movie. This book is a must have!!

Beauty and the Beast is a classic, no doubt about that. The music has warmed the hearts of many a child (and adult) and continues to inspire today. This book has every song (non-instrumental) from the movie so fans can play more than "Belle", "Be Our Guest", and "Beauty and the Beast". Great arrangements (good for intermediate players) and lots of Disney fun!

This music is about at intermediate level. It is pretty true to the movie. There are some speaking parts in the music. If you are looking for music you can play as a solo piano then "Beauty and the Beast" is about it. Otherwise it's fun to play.

Very well presented with beautiful pictures and clear, easy to read music. Very pleased! I would recommend this book to anyone wanting the real music from the movie. My granddaughter is 10 and has been playing piano for four years. It is challenging, but not overly difficult for her.

I bought this book in order to prepare my vocal student for her Beauty and the Beast audition. The arrangements are great. I highly recommend this book!
