Customer Reviews

I didn't open this book. It is a kind of paper-dolls book. It is not what I thought I was getting. I am not keeping this one, but I know that it will be entertaining to read because everything William Wegman does is worthwhile.

I purchased this book for my 6 year old daughter, and, er, for myself because our family pet is a Weimeraner named Mocha. We're long-time Wegman fans. This book is great fun. It contains pull-out souvenir postcards of Batty at her chateau in the South of France, voguing it up at her casino in Monte Carlo and her Uber Haus in Germany, to name a few. The scratch and sniff fragrances and reflective mirror are lots of fun, and poke fun at the fragrance industry. The pull-out folio of Bettina's sticker fashions contain more fabulous wigs, vintage couture and modern styles

than you can shake a stick at (ha). There are enough pop-ups, pull-outs, stickers and spinning wheels to keep any kid engaged. Adults will chuckle at Wegman's tongue in cheek portrayal of the Jet-Set lifestyle.

It's a beautiful book of ludic photography. It can be seen by photographers, artists and kids! I love it! I strongly recommend it
