Customer Reviews

Product arrived on time and undamaged. This is a beautiful book with pictures that are not extremely detailed so its nice for when you want a picture that you can complete in one sitting. There are cute, happy, sad, whimsical, and even mad expressions on these beautiful mysterious creatures. I love how every artist has thier own interpretation of what fairies and nymphs should look like and Monica does not disappoint with her variety of pictures. Pictures are printed on one sided, non perforated paper in a glue binding. Paper is of nice quality but if you are going to use markers you will need to put a piece or two of paper behind the one you are working on to prevent bleed through to the next picture. I would highly recommend this book for people who would like not too busy pictures of fairies and nymphs. The title says witches too but i didnt really see what i would consider pictures of traditional witches. Still a beautiful book though!!!

This is a gorgeous coloring book with high quality paper and single printed pages. The images vary from delightfully simple to beautifully intricate, without being overwhelming. Fairies in gowns and masks, in hunting gear with power animals, and lounging in streams or near waterfalls.

THE REALISTIC PICTURES ARE SO BEAUTIFUL. WISH I COULD GET MORE COLORING BOOKS WITH THIS HIGH QUALITY DRAWINGS. MONICA GALVAN'S COLORING BOOKS ARE AWESOME.

Absolutely love this coloring book. It's not too intricate but not too simple either. Everything you would expect it to be.

Beautiful pictures - love it!

These are beautiful books. I bought two for my grand daughter's. They both loved them.

I love this book. One of my favorites. Beautiful artwork

This is a fun book to color, love it !
