Scissor Skills Workbook For Kids: Super Fun Cut Outs

Synopsis

Scissor cutting is directly linked to handwriting so to be good at the former means improvement to the latter. Cutting helps strengthen the tiny muscles found in your child's palms, which assist in writing, painting, gripping, and even dressing up. Also, cutting enhances hand-eye and bilateral coordination. The fun thing is, he/she will be having so much fun cutting these cute pieces!

Book Information

Paperback: 46 pages
