This is the greatest book.....it is a coloring book but also has WONDERFUL exercises that help build self confidence! I got one for my 7 year old daughter and she LOVES it. This will make a great gift for birthdays - wrapped with a box of crayons or colored pencils.....awesome!!!

The Chloe Pink coloring books allows girls to express themselves creatively through art while identifying what they like about themselves, what makes them special, and what are their hopes and dreams. With plenty of prompts, there's always something new to discover with this book. Chloe Pink allows girls to reach for the stars!

The Chloe Pink Doodle & Dream Coloring Book is a fantastic coloring and activity book that doubles as a journal and sketchbook for girls of all ages. From the very first page, Chloe Pink, the cartoon character created by Sharna Fulton, inspires you to pick up a pencil, crayon or marker and make the book your own. You can color the pages, draw and sketch on the many "Dream... and Doodle" pages, and journal. On other pages, Chloe Pink asks girls to tell her about friends, school, hobbies and of course, dreams, with words, pictures and mini-games. The entire book is designed to encourage self-esteem and creativity and to help girls realize they are special. Just flipping through the book makes me feel happy and I can't wait to fill it out. I let my mom, who is 64 years old, look it over and she said the same thing, so Chloe Pink truly is the spokesperson for girls 3-103. One last thing: The Chloe Pink Doodle & Dream Coloring Book is a must-buy for all the girls and women on your Christmas list but I would be just as likely to give it to my three-year-old and five-year-old nephews as I would my nine-year-old niece. Older boys who have "outgrown" coloring might turn their nose as Chloe Pink's masterpiece. Still, Chloe Pink's message of building self-esteem and encouraging creativity will be a great gift for all the girls and boys in your life. The Chloe Pink Doodle & Dream Coloring Book is a must-buy!

My daughter LOVES this book, not because we live in Decatur, but it has such a great message of self confidence! We've given it as gifts several times and tell everyone we know about it! Chloe Pink is a friend and mentor in our house!

Thanks Sharna for giving my kids something that was actually thought-provoking as well as fun. It kept them busy for hours and they learned something about themselves!

Meet Chloe Pink. I just love her. Our 6 yo is doodling and dreaming her way through a 3rd Chloe Pink sketchbook and I expect she will complete many more through the years. It's so fun to watch her revise and expand upon her dreams as she interacts with each book. Dreams evolve and Chloe Pink has your back. Chloe Pink (TM)
