Customer Reviews

I just love this bible verse a day....and your service was beyond what I had expected. Thanks a million!!!!!!!!!!!!!!

Last year I bought an American Greeting one and that is what I was looking for on . I didn't find it so I decided to try this one. It is not as pleasing to the eye - too much "white space" and the Bible verses are in the old language and are not as easy to understand. I had hoped that it would be in "modern" language, that is, more like the NIV Bible. I will not buy this one next year.

I bought this Product as a Gift for my Roommate as He is very much into the Bible. He Loved this Gift and has it on His Desk which He uses every Day. One good Feature is that it has it's own Stand to place it on, making it easy to view. I'm Glad that I Purchased this Bible Verses Page-A Day 2010

A great way to start the day by reading a proverb to set your way!. It has helped me know the date through out the day by reading these verses at the kitchen table every morning. My only beef is they combine pages for weekends to save paper. The color drawings are a pleasure to gaze at as you read the daily verses.

My Grandmother has no problem reading the text on this calendar and the pictures are fabulous! You also get an access code for a free online calendar and you can choose from any of the other that they offer! I highly recommend and will buy again!
