Customer Reviews

I LOVE, LOVE, LOVE John Gavrilis' photo's. They take me to places where I'd like to be, and maybe I'll go for real someday to some of them. In the meantime, these calendars are the perfect size for a home office wall, a cubicle, or anyother place you might light to put them. I will continue to buy one (or more) each year for as long as they're made!!

this calendar has the most beautiful pictures i have every seen. breathtaking . it reminds me of how much we have to be grateful for on this earth.
