Scholastic True Or False: Reptiles

Synopsis

Fun, photographic nonfiction at its best from the authors of the successful Question and Answer series. Scholastic True or False is a science series aimed at second and third graders in a fun question-and-answer format. Each book contains 22 true or false questions with a full-color photograph of reptiles on every page. Kids will read the question on the right and turn the page to see the answer on the left. Every answer also includes a bonus fact related to the question.

Age Range: 7 - 10 years

Grade Level: 2 - 5

Customer Reviews

This entire series really engages children as they try to figure out whether the statements are true or false. I use the books in a reading program. Children who are engaged in the content are more eager readers than children who are reading a story they don't care about.

My first graders use this book when we study animals, It is informative and engaging for the children. Good book.

Item was exactly as described. Thank you!
