## Customer Reviews

A lot of very detailed pages, not just steam punk girls or guys. Not sure how to color or if I can due to migraines or vertigo. Wish I knew it had small details like this. I colored one so far.

My friend I gave this to loved it, it wasn't for me tho. Paper a bit average and images didn't always take up a lot of space on the page.

weird pics

I thought it would have more steampunk animals in it. I am pleased with the fact that it has a gecko and the dragon fly.

The older grandchildren loved it
