## Customer Reviews

My son has ASD and just celebrated his tenth Birthday. He liked the book, as he is very much a "make it your own" kind of kid. He received this for his birthday and loved all of the illustrations. The quality of the book and paper are nice. It was a nice addition to his other MSM items. It definitely helps that My Singing Monsters are currently his favorite.

Awesome book! Lots of My Singing Monster fun. Mazes, activities, craft ideas, stickers, drawing pages, word searches, crossword puzzles, etc! Will provide hours of enjoyment for any My Singing Monster fan.

My grandson loved it!!

Plenty of fun for my 8 year old son who loves my singing monsters,

My 3 year old loves this book.
