I Am #2: Albert Einstein

Synopsis

A brand-new biography series featuring some of the most important people from history and today. I am one of the most gifted minds that ever lived. I am a Nobel Prize-winning physicist. I was expelled from school as a young child. I am Albert Einstein. Learn all about this brilliant man, whose accomplishments are truly remarkable in the debut of Scholastic's new biography series: I Am. The series will feature full-color illustrated covers, one-color illustrations throughout, a timeline, an introduction to the people you'll meet in the book, maps, sidebars, and a top ten list of important things to know at the end of every book.

Grade Level: 3 - 7

Customer Reviews

This is a great book for my 10-year old. It's informative and educational, but also keeps his interest throughout! That's hard to do these days with all the super heroes books out there. I love this line of books!!

I chose this rating on my opinion of the book. My son enjoyed when I read it to him, but he did not enjoy reading it himself. There were big words that needed some clarity to someone in elementary

school. I think this book would be an easy read for someone in middle school, not elementary school.

Excellent ! Just as described

This biography inspired conversation and questions from the 8 year old. I like and would recommend this concise book.

Son loved it. Reads and rereads it!

i didn't understand it

My Grandson Loved It!!

Great !!!!!!
