# Soccer: A Nonfiction Companion To Magic Tree House #52: Soccer On Sunday (Magic Tree House (R) Fact Tracker)

## Synopsis

Track the facts with Jack and Annie! When Jack and Annie got back from their adventure in Magic Tree House #52: Soccer on Sunday, they had lots of questions. How did soccer get started? Who are some of its greatest players? What is the World Cup? Find out the answers to these questions and more as Jack and Annie track the facts behind one of the world's most popular sports. Filled with up-to-date information, photos, illustrations, and fun tidbits from Jack and Annie, the Magic Tree House Fact Trackers are the perfect way for kids to find out more about the topics they discovered in their favorite Magic Tree House adventures. And teachers can use Fact Trackers alongside their Magic Tree House fiction companions to meet common core text pairing needs. Have more fun with Jack and Annie on the Magic Tree House website at [MagicTreeHouse.com](http://MagicTreeHouse.com)!

Age Range: 7 - 10 years

Grade Level: 2 - 5

## Customer Reviews

This is a wonderful book to help youngsters learn about the sport of soccer. There are wonderful stories, facts, and knowledge that is essential to understand the game - easily laid out for young readers. We distributed this during our summer camp and our students loved it. I highly, highly recommend this book - well done!

After reading a few pages to my 7 year old soccer playing grandson, he asked me to stop. History and story line for the age group did not hold his attention. Old black and white pictures of players and amateur drawings weren't appealing at all. Added this on to an order to get free shipping but wouldn't recommend purchasing.

My daughter was glad I had ordered the Fact Tracker soccer book as well as the story version for her son. Since I know nothing about the game, I intend to read the book before I give it to her. What would the World Cup games be if the viewers did not know the fine points of what is happening on the field. Dull.

We have the entire magic tree house series in our 3rd grader's home library. So for my 8yr old son who is crazy abt soccer this purchase was a gift this summer. He has read it couple of times. It goes well with Soccer Sunday book.

Great writer of kids books. My ten year old started reading her five years ago. He has moved on to more advanced books but still is not ready to give up Magic Tree House.

He must have read this book 3 times since he got it. Great for soccer lovers and magic treehouse fans.

I bought this book for our elementary school's library and I think some students will enjoy it. The problem I have with it is that Cristiano Ronaldo did not even merit a page or two as did Messi, Casillas, Rooney and Pele. There was no excuse for that as this is a very current book and he is a major star in international soccer, bigger even than those mentioned except maybe for Pele. Obviously, the authors are not soccer fans as everyone in the world knows Cristiano Ronaldo and I know many of the boys will be disappointed that more was not written about him.

Book arrived, coincidentally, at the same time I began working with a new student (learning to read) who is a serious soccer fan along with his big brothers and the World Cup was beginning!! We have been sharing the book (I read to him) every time we've met the past few weeks and loving it! I think he's hooked!! Perfect timing for this beginning reader and the information is current and timely!!
