# Should I Share My Ice Cream? (An Elephant And Piggie Book)

## Synopsis

Gerald is careful. Piggie is not. Piggie cannot help smiling. Gerald can. Gerald worries so that Piggie does not have to. Gerald and Piggie are best friends. In *Should I Share My Ice Cream?* Gerald has a big decision to make. But will he make it in time? Using vocabulary that is perfect for beginning readers (and vetted by an early-learning specialist), Mo Willems has crafted a funny story about the challenges of doing the right thing. Fans of the Geisel Award-winning duo will eagerly eat it up!

Social Skills & School Life > Manners #5 in Â Books > Children's Books > Animals > Pigs

Age Range: 4 - 8 years

Grade Level: Preschool - Kindergarten

## Customer Reviews

What's that you say? You think a child's picture book about an elephant and a pig with an ice cream cone should be something an adult should read? Slow down the crazy train there! We all know adult reading levels have dropped off in recent years but come on. But no, really! This is a book you really should read. Hear me out. Looking back I realize how fortunate I really was. Sharing and generosity were things that were taught to me from a very young age and again were hammered into me from school, first at my small catholic school (enforced by sour faced nuns with rulers) and then later on at the arts academy I attended (out of necessity). Later on when I got out in the "real world" I came to realize just how selfish most people are, how selfishness comes unthinkably to most people, easy as batting an eye and twice as quick. Often times people don't even consider the needs and wants

of others in their daily routine and this is a shame - not only in the moral sense but also in the personal. For if you don't think about others who's going to think about you? When you're a kid you have others to look after you, your parents, your teachers, the government. But once you're an adult the jig is up so to speak. There are no safety nets in the adult world, and its in times of need that you have to rely not only on yourself but on the help of those nearest and dearest to you. This is the lesson Willems so lovingly illustrates here. The scene where Gerald finally looks down and realizes that while he was agonizing over wither or not to share so long that his ice cream has melted, leaving him in a sticky puddle of his own mess is priceless.
