Customer Reviews

Books came promptly. We glued masks to short dowels and used in photobooth for a party. There were hats, mustaches, feathered boas, glasses, etc. but the brilliant colors and life-like features of the punched out animals were the hit of the photos. Looked amazing! Held up very well - sturdy paper. Can't wait to use them again.

The seller's description of the product I bought (ANIMAL FACES, 15 Punch-Out Masks) was an understatement. What the seller termed "used" was actually as new as what I'd expect to find at a book store, making me so happy that I tried to contact the seller for a second purchase of the same book but discovered his or her name was no longer listed. Boy ! Talk about striking while the iron's hot ! Anyway, many many thanks to .com for putting me in contact with such an upfront seller !

A friend had these so I ordered them on line. They were in excellent condition, but the best two masks were missing in the book and it was not said that any would be missing.
