Customer Reviews

This Book is great for kids who love to write thoughts, ideas, and drawings. Like I said, this is an awesome Book.

I bought this book for my daughter, and this is what she had to say: "I have read all of the Amelia books, and have always wished that I could write and draw like her. This book helped accomplish this wish. I highly recommend it to people that like to write! It always saved me from boredom, and after I finished writing in it, it looked soooooo cool!"

This book was great! It has all sorts of pages where you write about yourself. I like those sort of books where you have to fill in pages about yourself and what you like, etc, so thats why I got this book. I very highly reccamend it!

This is my second copy of the book. I really enjoyed writing in the first one. This is a fun book for

someone who loves to write and draw!
