Band Instruments - My Little Sound Book (My Little Sound Books)

Synopsis

This book introduces some great first facts about five instruments—the drum, the flute, the saxophone, the accordion, and the cello—accompanied by bright, colorful photographs of each instrument. A great noisy early learning board book! Christophe Boncens started his career as a graphic designer. Ten years ago, he decided he wanted to create stories for children, both as an author and an illustrator.

Customer Reviews

I'm a musician and I bought this for my friends' 1-year old, to start him early. He loved it! The sounds are great! The book is thick but it only has a few pages---the rest of the depth accounts for the electronics required to play the sounds.

My daughter loves these books, and this one was no different. I subtracted one star because the sounds on this one are significantly less loud than the other instrument sounds book I have from this company.

Did not work on arrival.
