Connect The Dots With Fredi

Synopsis

Marsha created this activity book, "Connecting the Dots with Fredi", to accompany "The Adventures of Fredi and her Lily Pad Band." This book allows students to connect the featured instruments from the book and the flags of their home nations. It can be implemented into history, geography or English Language Arts classes where students can actively do small break out groups where they discuss the flags, the historical content of each country. Encourage your class to present their shared outcome as a group. This would make an excellent 7-13 minute group activity. At the end of each activity, readers are challenged to match the friend's face with an instrument or flag. Have fun with Fredi and explore.

Customer Reviews

This is a great supplemental material for Marsha Heydt's book, "The Adventures of Fredi and Her Lily Pad Band". For the classroom music teacher, you can reproduce these sheets and use them to complement the book, use them during transition time or leave them for substitutes. Thank you, Ms. Heydt!
