Since I have been keeping my prayer journal, I feel that I am able to pray for everyone by name, as there is room in this book to list all the prayer concerns. And after one is answered I also use the room in the journal to list the answer received from our Heavenly father. One of the things that I like best about this journal is that no matter what your faith, you can use it. I am sure that everyone who starts a prayer journal will want to keep one for years to come.

It was very intresting. I'm deffinitly getting this book. It has great things like friendship, bad days, your own writing space and everything a teenager could want!!! So if you see it, be sure to get it!!!!
