Dot-to-Dot Stories (Kids Can Learn With Franklin)

Synopsis

Kids Can Learn with Franklin! This primary workbook series features a fun collection of activities designed to reinforce basic math, reading and writing skills. Each workbook also includes four different colorful Franklin collector cards so kids can build their very own set! Children will complete the dot-to-dot pictures by counting by ones, twos, fives and tens. The mystery words can then be used to write a story to go with each picture.
