Customer Reviews

Love the graphics. The paper is not the highest quality and when it arrived the edges were bent up because of packaging, but it is serving it's purpose. In reality, I only flip the pages once a month, so I don't have to be constantly reminded that the pages are thin and cheap, only monthly.

Great prints, I had some of the pages matted and framed, the only problem was that the hole was a problem, too low, had to have custom mats cut. I save a lot of money on art work using calendar prints framed.

This is the third year I've ordered a food-themed calendar for my kitchen. I especially love the vintage ads, & this year's calendar is an especially good example. It adds a bright splash of color to my kitchen wall!

Love the cartoons! Got this gift for a friend of mine who loves caricatures specially 1920s ones. He loved it!

Love these! I buy 3 every year and will continue to buy these vintage calendars

This is the perfect kitchen calendar! Very nice quality paper and color!
