## **Customer Reviews**

as a teacher I love National Geographic books - my 2nd grader does as well - and after watching Night at the Museum she wanted to learn more about Sacagawea - I immediately turned to these books - GREAT

This book was filled with lots of important information about Sacagawea & really helped our child do an excellent job on an important school essay.

Our 6 year old granddaughter loves National Geographic biographies!! They make non-fiction interesting and keep young readers engaged.

Great tool for children to learn history. We use these books as a part of our homeschooling

curriculum.

Fascinating book full of interesting information. Our seven-year-old niece loved it!

Easy read with nice pictures and simple outline. Used for 3rd grade project.

Book was great reference for daughters project. Very interesting. Recommend!

This was purchased for my granddaughter's history project.
