Great condition and exactly right for my nephew. The bad guy is actually called The Bad Guy.

Subtly educational and much more interesting than the regular I-Can-Read books. His parents don't mind reading it every night!

A classic tale of good versus evil, this book is a touching story about the things people (or crocodiles) will do for their family. It teaches that no matter how different you may be with your relatives, you are still family and should help each other. Bill and Pete go all the way from Egypt to the United States to rescue Bill's cousin, Jane Allison. Many mishaps occur, but all is well at the end of the story. There is also a surprise ending, but you have to read the book to find out. I would recommend this book to anyone looking for a little family-oriented adventure.

I am shopping for books for my little baby nephew, he's only 8 months old, but for his first birthday I am getting him lots of books. I read Bill and Pete when I was little and I STILL like reading them! I am SO excited to see another Bill and Pete book! that just made my day!

I LOVE BILL AND PETE AND I AM 52 YEARS OLD! What charming, timeless books. Every parent should make Tomie dePaola a standard in their child's library.

Love the stories about Bill & Pete! Tomie de Paula has a great sense of humor! Keep writing! My students enjoy your sense of humor.
