Grade Level: Preschool - Kindergarten

Customer Reviews

The little boy that I gave this book to really enjoyed it! I was happy when I purchased it because when I went through it I saw what a fun and learning book it was! I received good customer service from the seller, great price and fast delivery!

This book was the perfect choice to help prepare my two-year old for Halloween costume parties and trick-or-treating. The book is full of vibrant and interesting illustrations and features a wide assortment of costumes and traditional Halloween symbols, from black cats to ghosts and jack-o-lanterns. The book is educational (ABC, obviously) and full of alliteration. The last few letters bring the night to an end with trick-or-treaters ready for sleep, so this can so serve as a bedtime book, I would recommend pairing this book with 10 Trick-or-treaters, a Hallowren counting book. It is equally good.

At first glance, Halloween ABC may appear to be a typical primer for little ones first venturing out into the great big world of reading , but typical it's not. It's a wonderful mix of holiday excitement and humor. Although the book will need to be read by an adult, the child will be glad to follow along by looking at the simple, yet colorful illustrations on every page. This book takes you through the alphabet in a storylike fashion with no ghouls or goblins to scare anyone. Typical quality one can expect from Little Golden Books.

This is a very cute book. It explains Halloween A to Z with cute pictures. Perfect for my toddler who is learning her alphabet and loves Halloween.

My 2 year old loves books and she was very happy to receive ths ook. It was a cute book and fun to red overhead Holloween holiday.

My 2 year old daughter loved this book. We read it everynight in October. She still requested it into November.

My students love the holiday related depictions of the Alphabet letters. Great for Halloween themed activities.

This is a good Halloween book for little children. It is not scary.
