Write And Wipe ABC 123 (Scholastic Early Learners)

Synopsis

An exciting new series of early learning novelty board books that combine Scholastic's strength in learning with beautiful photography and clear designs to stimulate early learning. Write and Wipe ABC 123 shows children how to write the letters of the alphabet (capitals and lower case) and for each letter, provides pictures and words for children to trace. For the numbers, there are objects to count and both the numeral and the number word to trace. * Perfect for helping children who are learning to write their letters and numbers. * Comes with a wipe-clean pen that clips into the book. * The glossy board is easy to wipe clean, so that children can have lots of practice.

Customer Reviews

Great write & wipe book. The marker is not as messy as others. It dries quickly & does not smear all over my child's hands. It's easy to clean & durable.

Best cardboard write and wipe book I've ever seen!! don't know who manufactures the marker that goes with this, but THEY HAVE A GOLD MINE with this one! Mess-free is an understatement! The marker dries quickly and wipes away with just your fingers - and there is absolutely NOTHING on your fingers after you wipe this marker away!! love the marker that goes with this! This book is very

nicely put together and moves smoothly from one subject to another. You will LOVE it! I definitely recommend! :)

Amazing product and easy for a 3 year old to use and understand

Great gift for a 4 year-old girl! My great-niece loved it.

My twin loves it. They can practice writing while they are thinking that they are just having fun drawing it.

Grandson loves it and so do i for teaching him!!
