No patterns are included. The images are okay but not particularly inspiring to me. I wish I'd gotten a calendar with more pieced quilts.

Calendars keep you aware of the date of the day, the month and the year and they track of your schedule. The pretty pictures above the month are all works of quilter, Edyta Sitar. Every month is a flower applique but not even one pattern is shared in this calendar. This calendar is sized at 12" x 12" with a miniature calendar of the month before and after. If you are looking to keep organized with quilt pictures, then this will work.

Lovely photos of gorgeous quilts. This is the third Edyta Sitar calendar I have purchased. Each one has been delightful. The theme this year is applique quilts. Also love her books. She is quite an artist.

I get Edyta Sitar's calendar every year, and this one is different in that it has a mini quilt for each month, mostly floral. I miss seeing her quilts displayed in great areas and photographs. I will enjoy

this one as well, it is just different.

I am a fan of laundry basket quilt designs and have several books and patterns. The designs are contemporary yet not too difficult.
