Eminem (Right On! Hip-Hop Headliners (Library))

Synopsis

Few rappers have encountered as much turmoil in life as Eminem. He's channeled much of his pain and anger into his music, crafting powerful lyrics and memorable beats. Read how this rapper rose to fame on the streets of Detroit and why he continues to top both pop and hip-hop charts worldwide. Colorful photographs accompany text and highlight the star's long career in the public eye.

Age Range: 9 - 13 years

Grade Level: 4 - 8

Customer Reviews

Be aware - this book is really at a reading level for maybe 3rd graders. I bought it for my middle school age son, thinking it would be a short biography of one of his favorite artists. Um... it's a book on Eminem so I wasn't expecting it to address deep social issues, but it is very very scant on information. There are maybe 2-3 sentences on every other page. Nothing concerning or inappropriate. My son also thought it was hilarious that they would make a book on Eminem for early grade school children. It might be a good book for an older child who is reading well below grade level, since the language is very simple, but the content would be of interest to, say, a middle school student. There is also a timeline and glossary, which could be good tools for a teacher who is working with reluctant readers. My son plans to cut the pictures (every other page is a full page

picture) out of the book for a project.
