Customer Reviews

I am in love with One Direction, and this book helps me get even closer to them by knowing fun facts about them!!If you love One Direction then you should defiantly buy this book, it is so good! But, if you are planning to buy this for someone as a gift, I should let you know it takes about 3 weeks to get the book because it comes from the United Kingdom. Although it takes long its worth

the wait!

I purchased this book for my daughter for her birthday. She loves it. The book has traveled to sleepovers to be shared with friends who are also 1D fans. My daughter recommends the book to fans. It's interactive and the questions are general so the book will not become dated.

SUPER FUN AND A MUST BUY FOR ALL DIRECTIONERS SERIOUSLY I WENT CRAZY!!!!
SUPER FUN IT HAS CROSSWORDS AND ALL THAT AND ITS JUST COOL

This book is great for that #1 1D fan or even for the new 1D fan. Got this for my daughter who thought she knew all about 1D and she even found things in this book that she didnt know, she loves this book and says its a great book. When she got the book, she couldnt put it down.

I purchased this as a gift for a 13 year old that is hewad over heels for one direction and of course she LOVED it.

The only thing they were a little upset over was that it was not an official item. They did not particularly agree with some of the content of the text.

Bought this for my 13 yr ol niece who is crazy for One Direction. She loved it and I know she will enjoy sharing with her friends that also love 1D.
